Britton Deerfield Schools

District Annual Education Report (AER) Cover Letter

January 06, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Britton Deerfield Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Stacy Johnson, Superintendent, if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site: www.bdschools.us, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT.
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety
- Review the table below listing our schools. For the 2023-24 school year, schools were identified based on previous years’ performance using definitions and labels as required in Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2023-24. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2023-24. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Britton Building	No Label	SEL Curriculum
Deerfield Building	No Label	SEL Curriculum

Britton Deerfield Schools strives for excellence as a district. All staff members work diligently to ensure success and life-long learning for all students and are willing to go above-and-beyond to ensure the needs of all students are met. We enjoy working with all our BD Families, and encourage participation in the classroom, in the sports arena and in community events. We are looking forward to our continued success as a leader in education and educational athletics in Lenawee County.

Sincerely,

Stacy Johnson
Superintendent
