PBIS

Positive Behavior Interventions and Supports

Safe Students • Positive Choices • A Stronger School

RESPONSIBILITY • RESPECT • ENGAGEMENT • INTEGRITY
BRITTON DEERFIELD
BD 4 LIFE
PATRIOTS

What is PBIS?

PBIS is a school-wide approach that helps create a safe, positive, and supportive learning environment for all students. It teaches and encourages positive behaviors, sets clear expectations, and recognizes students for making good choices.

The 4 Pillars

These four pillars guide everything we do at our school. They aren't just for school – they are skills students will need for life!

RESPECT
Treat others, yourself, and your school with kindness.

RESPONSIBILITY
Make good choices and follow through on your actions.

INTEGRITY
Do what is right, even when no one is watching.

ENGAGEMENT
Be present, work hard, and give your best effort.

September Recap

- The elementary had a goal of **25 tokens.**
- The main focus was on learning what does expectation mean and what are our building expectations.
- 94% of our elementary students earned the reward for September!

94% earned the reward!

- We are working on Respect.
- We are learning about how we can show respect in our classroom, to our friends, and to adults.
- Our goal is **25 tokens** and only 5 staff referrals.

Our reward for October will be a **HALLOWEEN DANCE PARTY!**

Here are some ways you can help us at home to reinforce expectations and respect.

1. Have clear and simple expectations.
2. Practice saying "please" and "thank you".
3. Practice waiting their turn and avoid interrupting.

Together we can make our school a great place to learn, grow, and belong!

NOVEMBER INFORMATION

NOVEMBER BREAKFAST & LUNCH MENUS

BOARD BRIEFS

The Board of Education discussed the following topics last month:

- The Superintendent mmid-year evaluation was completed.
- The LISD addition of TECH progrmming, including mechanical, electrical, and plumbing trades was presented by the LISD staff
- The annual independent audit was presented with favorable findings and a clean audit. There were no findings.
- Superintendent addressed areas of concern during school hours including vaping, students bringing energy or other drinks, and inappropriate behavior during football games. Letter posted on website and instant alert sent out to inform parents.
- Consumer's Energy is covering the cost of new transformers for the bus garage and the chargers and new buses are to arrive soon
- Middle School CTE grant of $426,342 obtained.
- BD was recognized as the Lenawee County district with the most improved attendance.

ROBOTICS CLUB

Britton Deerfied Science teacher, Matt Grace, will begin his second year as the advisor of the Britton Deerfield Iron Patriot Robotics Club advisor. The team is preparing for the competitions that will be held after the first of the year. The students will be responsible for building their "BOT," and taking it to the Robotics Competitions that are held across the State. Any student in grades 6-12 who is interested in joining the club should see Mr. Grace or Mrs. Johnson. Robotics Club will be held every Thursday from 3:30-5:00 i Mr. Grace's Room. The first club meeting will be held Thursday, Nov. 5th. Come out and join the fun!

Picture Retakes are November 4!
